

Welcome to the Cache Valley Wildlife Association's 6th Annual Bird House Building Contest!

The purposes of this contest are threefold: to provide nesting sites for wild birds, to improve an area for wild bird habitat, and to highlight the creative building skills of our residents. Nesting boxes and platforms are fine, but use your imagination to create unusual shapes and designs.

Entries must be submitted to Nibley City Hall (455 W. 3200 S Nibley) before 5:00 p.m. on March 29, 2019.

Prizes will be given for creativity, but the following rules must apply to each entry:

- * Product must function as a real birdhouse, not just be a unique art piece.
- * Be easy to clean out each year, so have a removable/hinged side, top, front or back.
- * Be durable, weather resistant, and rainproof.
- * Have small vents near the top of each side to help it stay cool.
- * Be built from appropriate materials – wood is best, metal gets too hot.
- * Be built with a sloped roof to shed water.
- * Have a few small holes in the floor to provide drainage.
- * Use screws instead of nails to allow easy repair and cleaning.
- * Have a rough "interior" front entrance to help chicks climb up to the exit hole.
- * Have the entrance hole near the top, appropriate to the size of the bird, but no perches. Numerous references can be found online to determine the size of the entrance hole. This is the single most important dimension of the house. Too small eliminates some birds; too large may allow unwanted species or predators.
- * Original works only. No commercial or assembled kits allowed except as donations.
- * Maximum size: 24"x 24" square base; 36" height.
- * Please use non-toxic, natural materials to keep the birds healthy.
- * Cache Valley Wildlife Association reserves the right to refuse submissions. * Entries due at Nibley City Hall 455 W. 3200 S on March 23. Participants can then sell, take home, or donate their birdhouse for placement in one of our selected Nature Parks.
- * Age Groups: 12 & under; 13-18; 19 & Over – No limits on entry numbers.
- * Prizes: 1 year membership to Stokes Nature Center, Names engraved on plaques for houses mounted in our selected City Parks, \$25 cash
- * Previous winning houses are not eligible. Enter a new one this year!
- * Questions? 435-512-6938 redrockron@gmail.com
